

DEPARTMENT OF THE TREASURY
INTERNAL REVENUE SERVICE
WASHINGTON, DC 20224

SMALL BUSINESS / SELF-EMPLOYED DIVISION

Bidder Registration Form

The Internal Revenue Service may be having a sale of seized goods against a local business in the Nashua, NH area under Internal Revenue Code 6336. This allows for the sale of the assets to be conducted immediately after the seizure.

The inventory includes: machinery, equipment, inventory of raw materials and finished goods of a business located in the Nashua, New Hampshire area that manufactures pet toys and supplies.

Inventory note: There are various sewing machines including JUKI models and Singer models; 2 - Ormont Machine Company blowers for filling pet beds; inventory of raw materials including fabric for bedding and toys as well as leash and lead materials.

This sale will be conducted under IRC Section 6336, perishable goods. This means that the property will be sold under expedited procedures because the assets will either perish or will lose their value if stored over a period of time. This will be a cash sale and the property must be removed the same day. There will be no minimum bid established and the sale will be absolute. We do not charge sales tax or a buyer's premium.

If you are interested, please fill out contact information on the bottom of this letter and return to me. If this property is seized and brought to sale we will call you and give the time and location of the auction.

Yes! I would be interested in being contacted to bid. I can be reached at (____) _____, or at this alternative number (____) _____.
